

Owner Requirements

COAA Workface Planning Forum
Calgary, Alberta December 1 2010

Presented by: Sean Przy

Owner requires...

**Describe your WFP program
&
What projects have you implemented it on?**

Owner requires...

What are the contractor's internal procedures for managing key workface planning interfaces with other contractors and owner supplied services.

Owner requires...

Describe the content and purpose of your Field Installation Work Packages.

Owner requires...

How does the contractor organization define and progress the direct field labor scope?

Owner requires...

In the capacity of a General Contractor, describe your processes and procedures to develop WorkFace Plans that address at a minimum the following requirements:

- *Level 5 multi-discipline look-ahead schedule*
- *Access and Infrastructure Plan (including scaffolding, trailers etc.)*
 - *Crane and Equipment Plan*
 - *Material Handling Plan*
